

BPRA Committee Reports and Updates for the September 2022 BPRA Board of Trustees Meeting

These updates are distributed to the BPRA Board prior to the monthly meetings and included with the minutes.

1) Pool & Recreational Facilities Committee (Ted Bechtol, Chair):

Georgetown Aquatics Contract: Joe Moeller has been working with the GA staff in closing out the pool operational season with no major issues.

Hot water heater was repaired and multiple leaks and questionable joints in adjacent piping were replaced.

The chain link fence project, repair of storm damage and expansion of the double gate, has been completed.

Joey Moeller has completed his repair projects across the pool and grounds with payment provided. This was a great way to get needed minor repairs accomplished.

2) Entertainment and Recreation Committee (Chris Swan, Chair):

a. Movies (updated)

- The last movie night of the summer was held on September 3 (Disney's Jungle Cruise).

b. Yard Sale & Shred-It (updated)

- Paulette Ladas will conduct the Shred-It on September 24, from 9 am to noon, rain or shine. BPRA members are welcome to bring up to 2 medium boxes of papers to be shredded. The Civic Association is happy to partner with the Shred-It, and run both events simultaneously.

BPRA Committee Reports and Updates for the September 2022 BPRA Board of Trustees Meeting

3) Neighborhood Dispute Resolution Committee (Chair TBD):

Rod will provide an update of the Broomall Lane issue at the meeting.

4) Finance Committee (Dave Pullen, Chair):

a. Bookkeeper (no change since last report)

We continue pursuing/considering a relationship with Arrow Bookkeeping, a Silver Spring-based firm, to serve as BPRA Bookkeeper.

b. Assessment Collections

2022 Assessment payments have been received from 97.62% of the membership as of 9/8. Further, we have achieved resolution with 83 delinquent accounts so far. This still leaves 20 homeowners whose payments have not yet been received (not counting accounts at SCHILD). Of the 20 outstanding, 16 owe the full amount plus penalties, interest, and collection costs (currently, \$417.25 – with additional interest accruing on the first of every month); and the rest owe sums ranging from \$10.22 to \$209.50. **NOTE: *Third and final appeal*** to any remaining delinquent homeowners was issued Friday, September 9. Per the BPRA Assessment Collections Policy, all accounts not paid in full by the end of September will be referred to SCHILD Law Group for collection.

c. Overdue Collections/Schild Law Group

A total of 7 homeowners remain within SCHILD's scope of action on behalf of BPRA (4 who owe 2021 Assessment in full; and 3 who have a SCHILD-approved payment plan in place).

d. Assessment Assistance Committee (no change from previous report)

No claims are pending before the Committee..

e. Change in BPRA Fiscal Year and “Short Year” Tax Return (no change from last report)

Larry Vaught completed our “short year” tax return in April, and filed it electronically after review by the President and Treasurer. Now we are moving forward to file our “automatic approval” application to change our fiscal year to align with the calendar year.

f. Tightening Procedures for Reporting Guest Pass Purchases

Pool staff have adjusted to better controls over reporting and accounting for cashbox transactions (guest pass purchases). We project 2022 gross receipts from guest passes at approximately \$2,700. NOTE: this includes fees associated with several large “private parties” held at the Pavilion this year, and are unlikely to repeat in 2023.

g. Insurance Claim Filed

Our insurance claim as a result of the 5/27 tree damage to the Pool Property, including fencing repair, has yielded an initial payment to BPRA of \$6,950 (after deductible). Fence repair costs

BPRA Committee Reports and Updates for the September 2022 BPRA Board of Trustees Meeting

(\$950) are fully covered; tree removal cost is *under-paid* by approximately \$1200. We are unlikely to secure any additional (supplemental) payout.

i. Audit Coordinator (Mark Foraker)

No change since August.

j. Finance Committee (Dave Pullen)

The Finance Committee met by teleconference August 30 to begin drafting the 2023 budget, which the Board will be asked to approve for distribution to the Membership in conjunction with the 2022 Annual Meeting Notice. With legislated Reserve requirements effective as of October 1, robust budget planning and discipline in abiding by budgeted amounts may be a 2023 point of emphasis. Upon adoption of the draft budget, the Committee will next review new, legislated, procedures for any action that deprives an HOA member of his/her rights. This may affect how we assess late fees, etc. as well as our existing procedures for suspending members' access to the Pool Property, whether do to delinquent payments *or* "behavioral" issues ("breaking the rules") while on the Pool Property. This review will be closely coordinated with the Governing Documents Committee.

5) Governing Documents Committee (Elliot Chabot, Chair):

a. HOA document requests (updated)

Requests for HOA documents, etc. handled by the Chair of the Governing Documents Committee (August 2022):

1. 2603 Belle Crest Court - status of account
2. 13824 Blair Stone Lane - HOA documents
3. 13824 Blair Stone Lane - status of account
4. 14117 Blazer Lane - covenants
5. 13824 Rippling Brook Drive - HOA documents

b. Recreational Facilities Policy updates (no changes)

Items to be considered in the next update of the Recreational Facilities Policy:

- Revise § 216 (Summer Entertainment Series and Summer Community Affairs Forum Series) to implement the Board's April 5, 2022, decision that guest fees be waived for anyone while attending Summer Entertainment Series events. Possibly also include Summer Community Affairs Forum Series events.
- In § 606 (Attendance Limits) - replace "Fifty Plus Club" with "Over 60 Club"
- Section 607 (Guest List) uses the word "guest" two different ways. To avoid ambiguity, replace "expected guest list" with "expected attendees list".
- In § 609 (Fees) - replace "Fifty Plus Club" with "Over 60 Club"

c. Documents Retention Policy (updated)

The Governing Documents Committee last worked on the Documents Retention Policy on July 29, 2021. The Committee has agreed on minimum retention dates for documents (by category)

e. Opt-In Homes and Other New Memberships (no changes)

When time permits, the Committee will attempt to codify and update the policy that the Board adopted May 2, 2017, on how homes within Strathmore Bel Pre that are not currently within the BPRA can join the BPRA. Also, the committee will look at what the process should be for homes that are just outside of Strathmore Bel Pre, but want to join (e.g., the Layhill Village homes on Village Lane and Rippling Brook Drive; and the Georgian Forest homes on Verona Court).

f. Special Projects (updated)

- **Hope to resume** identifying the section number for each street address within the BPRA this **month**.

Initially, this is being used to update the "Streets within SBP" webpage.

Once all the homes in SBP have been done, the list can be used to greatly simplify the process of responding to HOA document package requests.

We are scheduling one more service day for the garden volunteers in late September or early October. This program coordinated by Cookie Stagnitto was a big success in its first year and helped to improve the quality of the pool grounds.
